### VITICULTURA

Monovarietal of Albariño vineyards over 30 years, mainly from our estates "Arantei" and "Taboexa" located on lands of Salvaterra parish.

Strains of deep roots hydrated and well nourished, slow and complete maturation of sugars, acids and polyphenols, perfect for the production of wines with the capacity to last over time.

### WINEMAKING

Grapes harvested in 20kg, fast processing, stripping and maceration 50% Grape 4-6 hours at 8-10 ° C. Later it is pressed gently and the resulting must is racking and fermented in stainless steel tanks at controlled temperature of 16 °C. After fermentation the wine rests on its lees for a year before bottling.

### TASTING NOTES

Color: greenish yellow that is acquiring beautiful golden tones with the passage of the years. Clean and very bright.

Nose: initially floral and fruity nuances that evolve to more complex and Atlantic notes, minerals, salt and rich sensations of laurel and citrus notes.

Mouth: The freshness in all its evolution is maintained, gaining in velvety and glyceric sensations, as well as in a more complex aftertaste and a finish loaded with citrus and saline freshness.

### SOMMELIER RECOMMENDATIONS

Perfect with all kinds of seafood and fish, as well as fresh cheese, foie-grass, chicken, rice dishes and pasta. Best enjoyed at 12°C.

### QUALITY AND FOODSTUFFS CERTIFICATES

British Retail Consortium (B.R.C).

### AGING POTENTIAL

Best drink from now and over the next 10 years from vintage (kept in good conditions).
